MINISTRY OF HEALTH AND FAMILY WELFARE

राष्ट्रीय जन स्वास्थ्य प्रशिक्षण एवं अनुसंधान संस्थान

NATIONAL INSTITUTE OF PUBLIC HEALTH TRAINING & RESEARCH

BACKGROUND OF INSTITUTE

National Institute of Public Health Training and Research (NIPHTR) was established in June 1957 under Union Ministry of Health and Family Welfare. It is one of the pioneering Central Training Institutes (C.T.I.) conducting training for medical and paramedical personnel in important health issues to enhance their knowledge and skills for better delivery of health care services to attain Universal Health Coverage and achieve Sustainable Development Goals (SDG'S).

PROGRAMME OVERVIEW

Skill based training courses are the training content developed for enhancing the specific skills of existing professionals or provide a platform for imparting skills to candidates with no formal qualification. As per the directives of Ministry of Health & F W, NIPHTR Mumbai has developed four days skill-based course for First Responder.

OBJECTIVES

1. Recognize the seriousness of the patient's condition or extent of injuries to assess requirements for first aid;
2. Administer appropriate first aid for life threatening injuries relative to airway, breathing and circulation and disability;
3. Understand certain lifesaving emergencies and initiation of first responder care
4. Successful transfer of the victim to medical care system
5. Assist health care providers
